

WILD EARTH TRAVEL

VOYAGES ABOARD STRANNIK

Unforgettable journeys in Fiordland

Discover the Destination

MV Strannik caters for travellers seeking an authentic travel experience with a small group of like-minded travellers. We don't publish a day by day itinerary, instead each of our expeditions will have very clear objectives and goals and you will have the opportunity to contribute to the daily planning of the expedition.

Our objectives are simple:

- To overwhelm and excite you with everything that Fiordland, Stewart Island and Marlborough Sounds has to offer, including the weather, seascapes, landscapes, wildlife, forests, history, conservation work and values.
- To welcome you aboard as a fellow expeditioner and farewell you as a committed advocate for the continued protection of this amazing place.

We will linger at the most spectacular locations, and areas of cultural and natural history, anchoring overnight in some of the most spectacular anchorages anywhere in the world.

Hosted by Rodney Russ

MV Strannik is owned and skippered by Rodney Russ who is a biologist, historian, author and adventurer. Rodney has been involved in expedition travel since the early 1980's. He is an experienced expedition leader and conservationist throughout Fiordland, Stewart Island, Marlborough Sounds and the Sub Antarctic Islands having spent the past 50 years in the region.

Discover the Strannik

Strannik is a Russian word. It is sometimes translated as "Wanderer" on other occasions it is translated as "Pilgrim". Strannik is a person travelling in search of knowledge and wisdom. There is no better word nor way to describe our vessel and our objectives for this special vessel. It has been born out of a natural curiosity and love of the natural world, history and travel. It is designed, equipped and ready to explore the world and southern New Zealand.
