

# Norfolk Island – an island paradise

24 – 31 March 2022

*a holiday haven  
in uncertain times*

**UNESCO World Heritage sites, breath-taking scenery and a unique culture with an intriguing past combine to make Norfolk Island... located roughly halfway between New Zealand and Australia, one of Australia's most fascinating destinations.**

Settled by descendants of mutineers who speak a mix of Tahitian and 18th century English, it's a friendly place where giving a small Norfolk wave as cars pass each other is mandatory, cows have the right of way and everyone knows everyone else. It's the only place in the world where the telephone books lists people under their nicknames, such as Drill, Bing, Diddles and Spud! No wonder the locals reckon its "Da Bass Side Orn Earth" (the best place on earth!)

Explore one of the best preserved convict settlements in the Southern Hemisphere. Swim in the Reef protected pristine and iconic Emily Bay.

Walk through the many tracks throughout the Norfolk Island National Park.

Play Golf at the picturesque Norfolk Island 18 Hole Golf Club, or play Bowls or Tennis.

Visit the creative artisan cottages dotted all over the 34sqm island.

Visit the Local Town Market on Saturday morning to buy locally grown local produce.

Make time to partake in the Islands Progressive Dinner to some of the islands homes.

Ensure you take time to slow down and enjoy "island time"...
